

Ultimate Guide to Pakistan certificate attestation in the UAE

The UAE has become an attractive destination for professionals from around the world, including Pakistan. To get their Pakistan certificates recognized and accepted in the United Arab Emirates, individuals must undergo the process of certificate attestation. This article gives a comprehensive overview of the attestation process for Pakistan certificates in the UAE, helping you to complete the procedures smoothly and efficiently.

Understanding the purpose of certificate attestation:

Certificate attestation is a process that verifies the reliability of educational, professional, or personal documents issued in one country for use in another. It gives a guarantee that the documents are valid and issued by authorized institutions, ensuring that employers and educational institutions in the UAE can have confidence in the credentials of Pakistani professionals.

The UAE attestation process for Pakistani certificates:

Following are steps for attesting Pakistan certificates for use in the UAE

Board verification: Get your certificates authorized by board in Pakistan. This step confirms the genuineness of the documents and establishes their adherence to educational or professional standards.

MOFA, Pakistan: The verified certificates undergo attestation by the MOFA in Pakistan.

UAE Embassy Pakistan: Attested certificates must be further verified by the UAE Embassy in Pakistan.

MOFA, UAE: The last step to follow, involves having the certificates attested by the MOFA in the UAE.

Instruction for a smooth attestation process in the UAE

Submit original certificates: Make sure you have the original copies of all the certificates you need to attest.

Provide photocopies: In addition to the original certificates, submit clear photocopies of each document for the attestation authorities' records.

Allow sufficient time for processing: The processing time may vary depending on the complexity of the documents; please plan accordingly and allow sufficient time for completion.
